CHICAGO HOTELS

We are thrilled to offer three wonderful hotels for those staying overnight in Chicago while competing at the Legends' Cup Championships and Jubilee. The Affinia is a beautiful, upscale boutique hotel that is near so much of what the great city of Chicago is famous for. The Marriott properties are also great hotels for families and groups to house. Chicago is a great place to visit with your family. While parking is expensive throughout the city, we are pleased that if you come to this event without your automobile, there is a trolley that will take you to the Navy Pier. On Saturday, the trolley will stop at the headquarters hotel, The Affinia. We recommend that you go to the websites of these properties and decide which fits your needs. Remember, these rates are only if you book through BTNI.
