

Office of the Northeast Regional President

Dear NER Member,

As you may or may not know, this is NER's 40th Anniversary. What a milestone! The NER has always prided itself on a standard of excellence. This year will not be an exception!

One of the reasons we have been so successful as a region is due to 40 years of dedication by talented and knowledgeable people who live in our region. As your president for 28 of the past 40 years, I have witnessed this dedication first hand. This year, as we celebrate our anniversary, we will also be dedicating our competition to a great woman who mentored so many of us in the NER.

Ann Bittenbender gave of herself freely and without restriction so that the coaches, athletes, judges and families of the NER could be all that they could be on the state, regional, national and international level. Ann left us for a better place this past year but I know she is in heaven....watching over us and taking notes!

On the regional level, as I said, we will be dedicating the NER weekend in Kutztown to Ann and our 40 years of excellence. We would like to have everyone support the souvenir program while wishing their athletes and loved ones the best of luck. We will have a section in the program dedicated to Ann as well. Challenge your group to have every member take a booster line or ad. I have included a booster line sheet for your use. Why not have everyone in your group submit their line on the sheet and mail it all in together.

At the national contest, the NER will sponsor the "Ann Bittenbender Coaches' Lounge". This lounge will be sponsored by the NER and the USTA Education Department (of which Ann was an important part) will man the lounge. There will be a dedication to Ann in the lounge as well as educational materials. There will be refreshments and this lounge will be available to all professional coaches who at times need a private place where only they can retreat to. Ann believed that coaches were the strength of this sport of baton and as such, we dedicate this service and educational lounge to her. We do hope to make this an annual perk at the national contest.

Please join us in celebrating the NER's 40 Years of Excellence and honoring Ann Bittenbender. We are a strong and progressive region due to your support and the loving dedication of Ann. We look forward to a wondrous weekend in Kutztown! Even if you will not be in attendance.....you can still show your support by taking a small ad or booster line.

Hope to see you at the competition. It is going to be another GREAT contest weekend!

Best Regards,

NER President
