

USA BATON TWIRLING ALL STARS

Macy's has invited Karen Cammer of New York to produce a performance group of exactly 150 baton twirlers for the 82nd Annual Macy's Thanksgiving Day Parade. This performance group will be one of three very different groups being formed to perform and commemorate the 150th Anniversary of the very first Macy's store opening.

If you would like to apply to join this special group of baton twirlers, please request an application from David Mindlin or Karen Cammer today. Spots on the **USA Baton Twirling All Stars** will fill quickly so do not hesitate in applying. After reviewing the applications, a letter of acceptance will be sent to those selected. Your \$300 deposit is due 14 days after the receipt of that letter.

Not only will this performance group march almost 3 miles through the streets of the famous city of New York; but will also have one of those special performance times that we all watch the morning of the parade when NBC returns from a commercial. The **USA Baton Twirling All Stars** will have one minute of performance time in Herald Square in front of a nationwide TV audience, as well as, the parade before hundreds of thousands of spectators along the parade route.

The 2008 Parade Tour Package will begin on Saturday November 22, 2008 and continue until the morning of Friday, November 28, 2008. There will be a package for the members of the **USA Baton Twirling All Stars**, as well as, a separate one for families and friends. The packages will include several shows and excursions while visiting NYC and many other special items for the twirlers. The parade will be the culmination of five days of special times and memories.

If you would like to be considered for a spot on the **USA Baton Twirling All Stars**, the sooner you apply, the better. All 150 members must be at least 12 years of age on or before 11/22/2008.

Hope to see you there! Don't miss out on this experience of a lifetime!
