

# BTNI Alumni Announcement

**Dear Former BTNI Camper,**

We are very excited about our 9th Annual Summer Camp being held on Long Island in New York. We will miss being in the woods BUT having a camp that is centered in an area where there is such a great baton population and housing in a hotel, will make this year's camp very different and still lots of fun!

**Friday, August 19, 2011**

In the nine years since we started our camp series, so many of you have gone on to great things.

Some of you went on to make us proud as USA Team members; some are now in college preparing for promising adult lives; some of you are feature twirlers at colleges and universities across the country and some are still training and competing on every level of competitive sport baton twirling.

We miss all you who we have not seen in several years. We would like to see and hear from all of you! We plan on adding an Alumni section to our web site.....a kind of "Where Are They Now?" section. We are also adding, for the first time, an "Alumni Day" to our camp schedule.

**Come spend the day with us!**

On Friday, August 19th the instructors, Kathy Forsythe, Jackie Stewart and KeriAnn Lynch will be thrilled to see the faces of former campers among their classes.

Join us for a day of fun. Let our new and young campers meet all of you who walked our camp grounds before they did!

Also, for the first time (and this was always part of our dream!) an alumni will be on staff. Kristen Zuech will be on staff as an instructor. This former camper and Team USA member will help as we get our tiny tots and novice twirlers introduced to a camp setting. Kristen being on staff makes David and me very happy! Our camp series has come full circle!!

If you would like to join us for the day at camp in East Rockaway, NY on Friday, August 19th, please complete the form below and return to us by June 24th.

If you want to look at the camp brochure and consider coming for the week, go to [www.batontwirling.com](http://www.batontwirling.com) and take a look!

Hope to see you all in August!

**Sincerely,**

Karen Cammer and David Mindlin
