REGISTRATION PACKET

Dear 2011 Campers and Parents;

We are so very excited to have you attend our camp this summer. We are sure you will have lots of fun while making new friends and learning new skills from the world class staff that we have hired. Enclosed in this packet are several important papers that will help us better serve our campers and also to help ease the minds of the parents, as they send their children away from home for a week. We are very excited about our 9th Annual Camp.

Enclosed:

- **Request for Private Instruction Form** (Needed ONLY if you have NOT already made the request)
- **Medical Information Sheets**
- **Personality Sketch Sheet**
- **“What to bring to camp” List**
- **Tentative Daily Schedule**
- **Talent Show Form.**

Several things need special noting.

We have campers arriving on Monday morning at 8:00 to check in, in time for the 8:30 warm up session (Unless housing at the hotel in which case we will see you after 3Pm on Sunday August 14th at check in; or if you made pre-arrangements for early drop off) and leaving on Friday afternoon at 4PM (Unless you have a solo scheduled after that OR made pre-arrangements for late pick up) We believe this will help the parents who can not take time off from work. **On Monday morning, when dropping off your camper, parents please be aware that you must leave the camp grounds by 8:30AM.**

We will schedule private instruction for individuals as well as groups on a first come; first served basis. We have a limited number of time slots and many are already filled. If you are interested in taking advantage of this offer please make sure you return the Request for Private Instruction Form ASAP, if you have not already made requests.

We will have a Concession Stand where snacks, twirling items and “baton theme” clothing will be available so you should send some spending money.

We will be holding social events in the evening for those housing with us. As we finalize those plans we will pass the information on to those campers’ parents. For the ANNUAL camp activity: tie-dye session: please bring an old white shirt, shorts, sweat pants etc. We will tie dye on Wednesday.

Please pay special attention when noting your child’s medication needs if any! We do have an R.N. on our staff for safety and your peace of mind. We will have you check in with the nurse upon arrival if you need to check in meds or need to have a conversation about special needs for your child.

Another **special request** we have is to have your child **leave her/his cell phone at home.** If you do send your child with a cell phone, please be aware s/he will only be allowed to call home in an emergency and/or in the evening just before lights out. **Our cell number, should you need us or you child in an EMERGENCY is: 1- 631-513-0039.**

Again, we are looking forward to another fun filled and memorable week at camp. If you have questions, please do not hesitate to contact us.

Thanks and Regards,
Karen & David
