BTNI's Mission Statement

Building Overall Character and Expanding Life Experiences through Baton Twirling and Associated Athletic and Artistic Activities.

The Baton Twirling Network Incorporated is a place where all baton twirling athletes, professionals, organizational directors and interested parties, regardless of affiliation can actively participate in the sport of baton and grow.

We are an athletic education and training organization that not only offers baton twirling experiences, but also crosses over into any and all athletic and artistic activities from which a baton twirler can benefit. We invite one and all to come to camp and create wonderful memories while learning from baton twirling experts.

COME EXPERIENCE CAMP AS YOU NEVER HAVE BEFORE!!

Camp will help develop new skills and interests as well as perfect old ones. Learning through direct experience is a great way for children to gain a sense of self worth, learn to respect and work with their peers while developing trust.

Our Camp Facility in Pennsylvania

Cedar Lake is located in beautiful Milford, Pennsylvania, approximately 75 miles from Midtown Manhattan and approximately 130 miles from Philadelphia. The bunks are equipped with showers, sinks, toilets and screened in windows. The dining room comfortably accommodates all our campers and staff. Full balanced meals ensure good nutrition and are prepared by a great staff in a well equipped kitchen. The children eat their meals with their bunkmates and counselors in a cafeteria style service.

We will have an expertly scheduled curriculum that encompasses baton twirling and related activities for every age and ability camper. The curriculum will encourage every camper to develop skills in many areas. Younger and less experienced campers will be following a more structured class plan than that of the older and more experienced campers. All, however, will be able to choose what skill classes they want to attend. All campers will receive classes in gymnastics this summer as an addition to our past curriculum.

BTNI Twirling Camp Staff is there for one reason only. They are there to accompany your camper on a journey to the wonderful world of "learning" while reaching high to realize their full potential and developing lifetime memories. Everyone who attends will take home gifts, knowledge and new friendships.

AUGUST 17 - 23, 2008
