Dear Campers and Parents;

We are so very excited to have you attend our camp on its **6th Anniversary** this summer. We are sure you will have lots of fun while making new friends and learning new skills from the world class staff that we have hired. Enclosed in this packet are several important papers that will help us better serve our campers and also to help ease the minds of the parents, as they send their children away from home for a week.

Enclosed:

- **Request for Private Instruction Form**
- **Medical Information Sheets**
- **Personality Sketch Sheet**
- **“What to bring to camp” List**
- **Tentative Daily Schedule**
- **Directions to Camp Cedar Lake**
- **WOW Contest. Read about it and Email us if you want to try it. I promise you lots of fun. Everyone who tries will get something for their effort.**
- **Camp Song and Motto submission form**

Your prompt reply is very much appreciated. You may send back your required paperwork either by email or US Mail.....thanks!

Several things that need special noting

- ✚ We accept Visa, Master Card, Discover and American Express. You may pay your balance with any of those credit cards if you prefer to charge your balance.
- ✚ Campers should check in on Sunday between Noon & 2 PM with all parents leaving the campsite by 2:30 PM. Camper pick up is on Saturday between noon and 1 PM. We believe this will help the parents who cannot take time off from work.
- ✚ We will schedule private instruction for individuals as well as groups on a first come first serve basis. We have a limited number of time slots and several are already filled. If you are interested in taking advantage of this offer please make sure you return the Request for Private Instruction Form.
- ✚ We will have a store where snacks, twirling items and “baton theme” clothing will be available so you should send some spending money.
- ✚ We will be holding social events in the evening. One night will be “Talent” night so if your child would like to participate in that, make sure they bring whatever they need with them. They might want to team up with other people in advance for this special performance night!
- ✚ Please pay special attention when noting your child’s medication needs if any!

🚩 This year's regular camp activities...tie-dye session...please bring an old white shirt or shorts. Also, a "Project Adventure" outdoor climbing activity!

One day during the week we will have a few of the girls do an exhibition for a younger aged camp. Last year the girls that performed did a great job. If your child would like to be in the exhibition, please let us know. We only use about 3 acts but it helps to know who would be willing to do it.

Another **special request** we have is to have your child **leave her/his cell phone at home**. To be out in the woods at camp without all the electronics and devices we use at home is part of the special experience of being at camp. We will make time for the kids to call home. We find it better for the counselors really getting the opportunity to be in charge of their bunkhouse when the children aren't constantly on the phone as if they are at home. You should send your child with a calling card.

Our cell number should you need us or your child in an EMERGENCY is 631-513-0039.

Again, we are looking forward to another fun filled and memorable week at camp in August. If you have questions, please do not hesitate to contact us.

Thanks and Regards,
Karen & David
