Tell Us about your child……..

With Camp just several months away, we are looking ahead to our counselor orientation. With that in mind, we would like you to submit a character sketch of your child. This will be invaluable in not only helping us make bunk assignments, but also provide us with information that will be shared with the camp staff. We would like your take on your child's personality, interests, likes and dislikes, etc., and any information that you feel will help us make the camp experience unforgettable for your child. Thank you so much for your cooperation and time!
